**Release Number: (#19-179)** Super Jumper Inc., of South San Francisco, Calif., is announcing the voluntary recall of about 23,000 Super Jumper trampolines. This recall involves Super Jumper 14-foot trampolines, and 14-foot and 16-foot combo trampolines with enclosures sold without reinforcement clamps. The Super Jumper logo is printed on the center of the trampolines' mat. The trampolines have a black mat, gold springs and a blue pad covering the springs. The 14-foot models have six metal legs and the 16-foot combo has eight metal legs.

**Problem:** The welds on the metal railings (legs) can fail, posing fall and injury hazards.

**What to do:** Consumers should immediately stop using the recalled trampolines and contact Super Jumper for a free repair kit which consists of reinforcement clamps that clamp around the trampolines' welded joints. Consumers can contact Super Jumper toll-free at 866-757-3636 from 9 a.m. to 5 p.m. PT Monday through Friday, email at [recall@superjumperinc.com](mailto:recall@superjumperinc.com) or online at [www.superjumperinc.com](http://www.superjumperinc.com) and click on the "Recall" link for more information.

**Release Number: (#19-184)** Crate and Barrel, of Northbrook, Ill., is announcing the voluntary recall of about 1,500 activity push walkers. This recall involves Crate and Barrel Activity Push Walkers also known as Baby Push Walkers used to aid toddlers learning how to walk. The wooden recalled walkers stand about 17 inches high on four wheels and include a variety of integrated child development activities on their face. The SKU Number 124-248 can be found on a white 1-square-inch sticker on the bottom of the walkers.

**Problem:** Walkers can be damaged over time exposing sharp points and small parts, posing choking and laceration hazards to small children.

**What to do:** Consumers should immediately stop using the recalled push walkers, put it out of reach of young children and contact Crate and Barrel for a full refund. Consumers can contact Crate and Barrel at 800-451-8217 from 8 a.m. to 8 p.m. CT Monday through Friday and 8 a.m. to 7 p.m. CT Saturday and Sundays, email or online at [www.crateandbarrel.com](http://www.crateandbarrel.com) and click on "Product Recall" for more information.

**Release Number: (#19-186)** Contigo USA, of Chicago, Ill., is announcing the voluntary recall of about 5.7 million Contigo kids cleanable water bottles. This recall involves Contigo Kids Cleanable water bottles. The base and cover of the clear silicon spout will always be BLACK. Only black color spout base and spout cover models are included in this recall. Contigo is printed on the rim and along the front near the bottom of the bottle. The water bottles come in three sizes (13 ounce, 14 ounce and 20 ounce) and four bottle colors (solid color, graphics, stainless steel and stainless steel solid colors). The water bottles were sold individually as well as in two-packs and three-packs.

**Problem:** The water bottle's clear silicone spout can detach, posing a choking hazard to children.

**What to do:** Consumers should immediately stop using the recalled water bottles, take them away from children and contact Contigo for inspection instructions and a free replacement lid. Consumers can contact Contigo toll-free at 888-262-0622 from 8 a.m. to 5 p.m. ET Monday through Friday, or online at [www.gocontigo.com/recall](http://www.gocontigo.com/recall) or [www.gocontigo.com](http://www.gocontigo.com) and click on Recalls at the bottom of the page for more information.

**Release Number: (#19-187)** At Home Procurement, of Plano, Texas, is announcing the voluntary recall of about 24,000 ultimate shag rugs. This recall involves eight models of Ultimate Shag Rugs. Each rug has a label on the back stating "Ultimate Shag" and "at home." The rugs also have "100% Polyester" and "Made in China" printed on the label. The SKU number can be found on the back of the rug. A complete list of the rugs included in this recall can be found online.

**Problem:** The recalled large shag rugs fail to meet the federal flammability standard for carpets and rugs, posing a fire hazard. The small shag rugs fail to meet federal labeling requirements. Small rugs are not required to meet the federal flammability standard; however, they are required to be permanently labeled with the following statement: "FLAMMABLE (FAILS U.S. DEPARTMENT OF COMMERCE STANDARD FF 2-70): SHOULD NOT BE USED NEAR SOURCES OF IGNITION."

**What to do:** Consumers should immediately stop using the recalled shag rugs and contact At Home for instructions on receiving a refund for the large rugs and a label for the small rugs, or return your rug to an At Home store to receive the remedy. Consumers with shag rugs in sizes 59 inches by 87 inches and 90 inches by 120 inches will receive a full refund in the form of a store credit. Consumers with rugs in sizes 39 inches by 59 inches will receive a label to be placed on the underside of the rug. Consumers can contact At Home toll-free at 1-888-359-4387 Monday through Friday 7 a.m. to 6 p.m. CT, email at [productrecall@athome.com](mailto:productrecall@athome.com) or online at [www.athome.com](http://www.athome.com) and click on product safety for more information.

**Release Number: (#19-190)** The Design House, of Nashville, Tenn. for the Mirrored Chest, and The Crestview Collection, of Memphis, Tenn. for the Six-Drawer Camille Chest, is announcing the voluntary recall of about 3,000 black wash mirrored chests and six-drawer Camille chests. This recall involves two chests of drawers made from MDF wood. One is mirrored with five drawers and has a black wash finish. It measures 35 inches tall and weighs about 47 pounds. The chest SKU number is 177373. The SKU number can be found on the Kirkland's price label that is attached to the back of the furniture hangtag. The Camille chest has six-drawers and a cream distressed finish. The chest measures 36 inches tall and weighs about 75 pounds. The chest SKU number is 145191. The SKU number can be found on the Kirkland's price label that is attached to the back of the furniture hangtag.

**Problem:** The recalled chests are unstable if they are not anchored to the wall, posing serious tip-over and entrapment hazards that can result in death or injuries to children. The dressers do not comply with the performance requirements of the U.S. voluntary industry standard (ASTM 2057-17).

**What to do:** Consumers should immediately stop using the recalled chests and place them in a room away from children. Consumers can return the chests to a Kirkland's store and receive a refund or contact Kirkland's to receive a free tip-over restraint kit and schedule a one-time free in-home installation of the kit. Consumers can contact Kirkland's toll-free at 877-541-4855 9 a.m. to 5 p.m. ET Monday through Friday or email [customer.care@kirklands.com](mailto:customer.care@kirklands.com), or online at [www.kirklands.com](http://www.kirklands.com) and click on Chest Recall under Customer Service at the bottom of the Home Page for more information.
